Brand Navigator and Principals Privacy Policy

Brand Navigator and Principals believe in protecting your privacy. We will not collect any personal information from you via this web site that you do not volunteer. We do not sell, share, or rent personal information to third parties without your consent, except in certain specific cases described below.

If you choose to register or submit personally identifiable information to us, you agree to the use of such information in accordance with this privacy policy.

Types of Information We Collect

As a general visitor to this web site, neither Brand Navigator nor Principals collect any personally identifiable information about you. However, we automatically record information sent by your browser in our server logs, including your IP address, the pages you visit, and other non-personally identifiable information, which we use to analyse our web traffic and administer our servers.

Subscription Registration

If you register for a subscription to the Authentic Brand Index, we will use the registration information that you submit to process your request. We will keep this information in a database. In addition, we may contact you about future publications and Brand Navigator and Principals services that may be of interest to you. You will always have an opportunity to opt out of receiving such communications.

Other Contact

If you send an email to us, we will use your email address or other contact information in order to respond to your inquiry. If you request information about our products or services, we may follow up with you in the future with additional information that we think may be of interest to you. You will always have an opportunity to opt out of receiving such communications.

Parties to Whom We Disclose Information

Neither Brand Navigator nor Principals will disclose your personal information to anyone without your consent except in the following situations:

- 1** To comply with a validly issued and enforceable subpoena or summons, a court order, or as requested by other government or law enforcement authority.
- 2** To investigate network abuse or a violation of our Terms of Use or other published guidelines.
- 3** As a part of any actual or threatened legal proceedings or alternative dispute resolution proceedings either initiated by or against us.
- 4** If you engage in (or are reasonably suspected of engaging in) any illegal activities.
- 5** To provide information to affiliates and nonaffiliated third parties who perform services or functions for us in conjunction with any requests or inquiries made by you.

We also reserve the right to report any suspected illegal activity to law enforcement for investigation or prosecution.

Changes to this Policy

From time to time, we may revise this Privacy Policy. Please check the policy periodically for changes. If you have questions or concerns about this policy, if you want to correct or change any information previously provided to us, or if you have provided us with personally identifiable information and would like that information deleted, please e-mail us.
